ABOUT

MY NAME IS DARIUSZ CHYŁA
I GREW UP IN KOSALIN A SMALL TOWN IN NORTHERN
POLAND.

I'VE WORKED WITH MANY PROGRAMMING LANGUAGES FOR
OVER 20 YEARS – SOME I KNOW WELL, SOME LESS.

I STARTED WEB DEVELOPMENT WITH PHP3 AND MYSQL A
LONG TIME AGO.
NOW I LOVE JAVASCRIPT – IT'S STRONG AND WORKS FOR
BACKEND TOO.
I USE REACT AND REDUX A LOT TO BUILD FAST AND CLEVER
WEBSITES, AND I ENJOY IT.

I ALSO PLAY WITH THREE.JS AND WEBGL TO MAKE COOL,
MOVING GRAPHICS ONLINE.

I'M EXCITED ABOUT ARTIFICIAL INTELLIGENCE – I'M NEW TO
IT, BUT I'VE DONE SOME COURSES AND WANT TO LEARN
MORE.

I'VE BEEN A FREELANCER FOREVER, BUT I TALK EASILY AND
DON'T LIKE TROUBLE.
SO WORKING WITH A TEAM? I CAN DO THAT.

LANGUAGES

ENGLISH: CONVERSATIONAL

POLISH: NATIVE SPEAKER

MY INTERESTS

 3D GRAPHICS  CAPITAL MARKETS

 SECURITY

SOCIALS
